

Residency

We offer a Residency position providing postgraduate training in veterinary pathology.

The position is available from now on, for 36 months.

The post holder has the following tasks:

- Contribution to the Institute's post mortem diagnostic service
- Contribution to the Institute's biopsy and cytology diagnostic service
- Contribution to collaborative research projects

The successful applicant fulfils the following requirements:

- EU-recognised veterinary degree
- Interest in pathology and in postgraduate training in this discipline
- If possible, a completed dissertation (Dr. med. vet., PhD) and scientific publication(s)
- Very good English and German skills (spoken and written)

We offer:

- Training in all aspects of diagnostic veterinary pathology, including forensic pathology and digital photodocumentation
- Qualification for the certifying examination of the European College of Veterinary Pathologists
- Salary according to the cantonal requirements

For further information on the project and the internship, please contact PD Dr. Frauke Seehusen (E-mail: frauke.seehusen@uzh.ch).

Please submit your written application with your CV and letter of motivation by 26.02.2023 to:

Institute of Veterinary Pathology, Personnel Administration
Vetsuisse Faculty, University of Zurich
Winterthurerstr. 268
8057 Zurich
Switzerland
