

## **TEMPORARY LECTURER IN VETERINARY PATHOLOGY**

### **UNIVERSITY COLLEGE DUBLIN**

---

Applications are invited for the role of temporary Lecturer in Veterinary Pathology in UCD School of Veterinary Medicine to cover an approximately 6 month period of maternity leave.

Principal duties include teaching of veterinary pathology to the MVB programme and to residents, and the provision of diagnostic pathology services within the University Veterinary Hospital.

Applicants will require:

- A veterinary degree registrable with the Veterinary Council of Ireland
- Evidence of postgraduate training in veterinary pathology
- Excellent communication and inter-personal skills with fluency in both spoken and written English

Salary in accordance with Department of Finance guidelines and commensurate with qualifications and experience.
