

Doctorate (Dr.med.vet.) position

We are seeking a veterinarian to undertake a postgraduate research project on the pathogenesis of Boid Inclusion Body Disease (BIBD).

The project will focus on molecular biological and *in vitro* studies.

The position is available from 1st October 2020, initially for 12 months.

The post holder has the following tasks:

- Practical work on dissertation project
- Contribution to the institute's post mortem diagnostic service (pathology internship)

The successful applicant fulfils the following requirements:

- EU-recognised veterinary degree
- Interest in reptile and infectious diseases and in laboratory work
- Interest in pathology and postgraduate training in the specialisation
- Very good English and good German skills (spoken and written)

We offer:

- Dissertation (Dr.med.vet.) and contribution to the work of "The BIBD Group" (<http://www.vetpathology.uzh.ch/de/Diagnostik/infektionspatho.html>) combined with training in pathology (internship)
- Option for a subsequent residency towards the certifying examination of the European College of Veterinary Pathologists
- Salary according to the guidelines of the SNF

For further information on the project and the internship, please contact Prof. Dr. Anja Kipar (email: anja.kipar@uzh.ch).

Please submit your written application with your CV and letter of motivation by 01.09.2020 to:

Institute of Veterinary Pathology, Personnel Administration
Vetsuisse Faculty, University of Zurich
Winterthurerstr. 268
8057 Zurich
Switzerland
