

## Doctorate (Dr. med. vet.) position

We are seeking a veterinarian to undertake a postgraduate research project on the molecular diagnosis and pathogenesis of reptarenavirus infections in boid snakes.

The position is available from 1<sup>st</sup> October 2021,  
initially for 12 months.

The post holder has the following tasks:

- Practical work for the dissertation project
- Contribution to the Institute's post mortem diagnostic service (pathology internship)

The successful applicant fulfils the following requirements:

- EU-recognised veterinary degree
- Interest in quantitative molecular pathology and in laboratory work
- Interest in pathology and in postgraduate training in this discipline
- Very good English and German skills (spoken and written)

We offer:

- Dissertation (Dr.med.vet.), experience in advanced molecular methods and involvement in other research projects of *The BIBD Group*, combined with training in pathology (internship)
- Option for a subsequent residency towards the certifying examination of the European College of Veterinary Pathologists
- Salary according to the guidelines of the SNF

For further information on the project and the internship, please contact Prof. Dr. Anja Kipar (email: [anja.kipar@uzh.ch](mailto:anja.kipar@uzh.ch)).

Please submit your written application with your CV and letter of motivation by 12.09.2021 to:

Institute of Veterinary Pathology, Personnel Administration  
Vetsuisse Faculty, University of Zurich  
Winterthurerstr. 268
