

ANNOUNCEMENT

Classic Examples in Toxicologic Pathology XXIX

Seminar offered by the Hannover Graduate School for Veterinary Pathobiology, Neuroinfectiology, and Translational Medicine, and the Department of Pathology at the University of Veterinary Medicine in Hannover, Germany, and the European Society of Toxicologic Pathology
on

March 10 and 11, 2022

Online Seminar

The seminar will be held exclusively online and in English. Examples of toxicologic pathology will be presented and discussed by the participants.

Speakers will prepare handouts, which will be available for download by registrants. All presentations will be supported by whole slide images (WSI). WSI will be accessible for registrants approximately 2 weeks before the seminar, during the seminar and approximately 4 weeks thereafter. The slides will have a format that does not require the installation of software for examination in a standard browser; the “VM SlideBrowser” will automatically be executed when a slide is opened. Once the electronic slides are accessible, registrants will be informed and need to use the access data received upon registration. We recommend examining the electronic slides before the seminar, as access during the seminar may be limited when many participants try to open the same slide at the same time.

Preliminary Program:

Thursday, March 10, 2022

Time, CET	Title of presentation	Speaker
13:15 – 13:20	Introduction	
13:20 – 14:05	ROR-gamma Inhibitor	Alessandro Piaia
14:05 – 14:50	NCE-induced Microbiome Changes and Intestinal Findings	Sophie Rau
14:50 – 15:20	Break	
15:20 – 16:05	4 th Generation EGFR-inhibitors– Neurotoxicity	Florian Colbatzky
16:05 – 16:50	AAV Gene Therapy in Rats and Cynomolgus Monkeys	Xavier Palazzi
16:50 – 17:15	Break	
17:15 – 18:00	Artificial Intelligence in Neuropathology Studies for MNDA-receptor Antagonists	Erio Barale

Friday, March 11, 2022

13:15 – 14:00	SARS-CoV-2 vaccine	Klaus Weber
14:00 – 14:45	SARS-CoV-2 Hamster Model – Lectin Histochemistry	Lea-Adriana Keller, Andreas Popp
14:45 – 15:15	Break	
15:15 – 16:00	Drug-induced Lung Toxicities in Humans	Florian Laenger
16:00 – 16:45	Aldosterone Synthase Inhibitor	Maria Christina de Vera-Mudry
16:45 – 17:10	Break	
17:10 – 17:55	t.b.d.	t.b.d.
17:55 – 18:00	Closing Remarks	

Registration, payment, seminar materials

Please register using the following link

<http://www.eurotoxpath.org/meetings/index.php?id=classexamp2022>)

as soon as possible, at the latest by **February 25, 2022**. The registration fee is 110 € for ESTP members and 150 € for non-members. Participation is free for students and employees of an academic institution.

After successful registration you will receive an e-mail with access details for the handouts and slide scans. We will inform all registrants when the slides are available online.

With the e-mail that confirms your registration, you will also receive the invoice, which includes payment options for bank transfer or credit card. In the week before the seminar and after payment is complete you will receive a second e-mail with access details for the online seminar.

For questions regarding the registration and payment process, please contact Amy Narewski at classicexamples2022@posteo.de. For other questions or for further information please contact the organizers.

We are looking forward to meeting you online in March!
