

BRITISH SOCIETY OF TOXICOLOGICAL PATHOLOGY

Continuing Education Symposium 8: Digestive System

Cambridge

Tuesday 21st – Thursday 23rd March 2017

17 hours of educational activity will be recorded on Attendance Certificates

Continuing Education Symposium Objective:

The aim of the Continuing Education Symposium is to provide an interactive environment to enhance your knowledge in the field of toxicological, discovery, clinical, experimental or veterinary pathology. The series of Continuing Education Symposia are designed to refresh participants' knowledge and understanding of core principles, as well as discuss any important recent advances.

Continuing Education Symposium Description:

The British Society of Toxicological Pathology offers Continuing Education Symposia focusing on specific organ systems. This Continuing Education Symposium will provide an in-depth coverage of digestive system pathology. This is an intermediate level symposium covering INHAND nomenclature for the gastrointestinal tract; immunological responses of the gastrointestinal tract; spontaneous pathology and infectious disease of the gastrointestinal tract in laboratory rodents and rabbits; spontaneous pathology and infectious disease of the gastrointestinal tract in dogs, minipigs and primates; histology, physiology and pathology of the teeth. Other topics likely to be covered include regeneration and repair mechanisms, intestinal inflammation and carcinogenesis, cancer models and mechanisms of toxic injury. There will also be workshops/case presentations on how you address gastrointestinal tract problems which will form an important part of the symposium.

This symposium is **the** event for toxicological and discovery pathologists (and other scientists working with animal models), clinical pathologists and toxicologists as well as non-clinical regulatory scientists to learn about recent scientific advances. As well as providing CPD for experienced members of the profession, the symposium is open to students/residents and those at the start of their pathology career.

The format will include presentations, case histories and active participation of delegates. The Continuing Education Symposium will be of 3 days duration and the programme will be arranged such that each individual day can be attended as stand-alone CPD if desired.

Who should attend:

The Continuing Education Symposium programme is intended for **toxicological and discovery pathologists (and other scientists working with animal models), clinical pathologists and toxicologists as well as non-clinical regulatory scientists**. The aim is to make the content relevant to both those who have been working for a number of years and who feel they can benefit from an update (as well as contributing their experience to the group discussions that will take place) and those who are in the early stages of their careers.

Continuing Education Symposium Location:

The Symposium will be held in Cambridge, detailed travel and accommodation information will be available to those who register for this event.

Continuing Professional Development:

17 hours of educational activity will be recorded on Attendance Certificates. For those delegates who wish to self accredit for CPD, proof of attendance should be retained for this purpose.

Continuing Education Symposium Registration:

Registration is limited; to ensure attendance on the Symposium, early registration is encouraged.

Continuing Education Symposium Registration Fees

Registration for this symposium will close at midnight on Sunday 5th March 2017.

Registration	Full registration fee		Day delegate registration fee	
	Up to 26th Feb 2017	After 26th Feb 2017	Up to 26th Feb 2017	After 26th Feb 2017
BSTP Member	£700.00	£800.00	£300.00	£350.00
Non-Member	£800.00	£900.00	£350.00	£400.00
Student/Resident *	£350.00	£400.00	£175.00	£225.00

* **Students/Residents** are required to provide, written confirmation (on headed paper, scanned and sent by email) of their status from their Head of Department prior to registering online.

For **online registration and payment** (by credit card and bank transfer) please go to:

<http://www.bstp.org.uk/events/bstp-ces-8-digestive-system/>

Where **payments cannot be made using the online registration system**, please contact the BSTP Secretariat – bstpoffice@aol.com

Full registration fee includes all scientific sessions, PDF version of the symposium booklet on a USB memory stick, attendance certificate, refreshments during breaks and a light lunch (Tuesday - Thursday).

Day delegate registration includes all scientific sessions on the day booked, PDF version of the symposium booklet on a USB memory stick, attendance certificate, refreshments during breaks and a light lunch.

All delegates are responsible for making their own travel and accommodation arrangements.

Registration will only be valid on receipt of payment.

Cancellation Policy:

All requests for cancellations to bookings must be received in writing by **midnight on Sunday 26th February 2017**.

Refund requests received up to **midnight on Sunday 26th February 2017** will incur a 25% processing fee.

Refund requests received after **Sunday 26th February 2017** will not be processed.

Those who cancel after **Sunday 26th February 2017** and have not paid will be invoiced for the full amount.

Replacements: Substitutions can be made at any time up to **midnight on Sunday 5th March 2017**.

Timelines:

8th December 2016	<i>Registration opened</i>
Midnight on Sunday 26th February 2017	<i>Early registration fee ends</i>
Midnight on Sunday 26th February 2017	<i>Cancellations can be made</i>
After Sunday 26th February 2017	<i>No refunds on cancellations</i>
Up to Sunday 5th March 2017	<i>Substitutions can be made</i>
Midnight on Sunday 5th March 2017	<i>Registration Closes</i>

CONTINUING EDUCATION SYMPOSIUM 8: DIGESTIVE SYSTEM

*Tuesday 21st – Thursday 23rd March 2017
Cambridge*

PROVISIONAL PROGRAMME

17 hours of educational activity will be recorded on Attendance Certificates

Tuesday 21st March 2017	
08.45 - 09.15	Registration
09.15 - 09.30	Introduction by the Scientific Organiser <i>Jonathan Williams, The Royal Veterinary College, UK</i>
09.30 - 10.30	Immunological responses of the gastrointestinal tract <i>Lucie Abeler-Dörner, Kings College London, UK</i>
10.30 - 11.00	Break
11.00 - 12.15	The role of microbiome in drug metabolism <i>Muireann Coen, Imperial College London, UK</i>
12.15 - 13.15	Lunch
13.15 - 14.15	Regeneration & repair mechanisms in the gastrointestinal tract <i>Patricia Turner, University of Guelph, Canada</i>
14.15 - 15.15	Rodent models of intestinal inflammation <i>Gwo-tzer Ho, University of Edinburgh, UK</i>
15.15 - 15.45	Break
15.45 - 16.45	Gastrointestinal tract carcinogenesis/cancer models <i>Mark Arends, University of Edinburgh, UK</i>

Wednesday 22nd March 2017	
09.00 - 10.00	Mechanisms of toxic injury to the GI tract <i>Patricia Turner, University of Guelph, Canada</i>
10.00 - 11.00	INHAND nomenclature for the gastrointestinal tract – Part 1 <i>Andrew Spencer, Consultant, UK</i>
11.00 - 11.30	Break
11.30 - 13.00	INHAND nomenclature for the gastrointestinal tract – Part 2 <i>Andrew Spencer, Consultant, UK</i>
13.00 - 14.00	Lunch
14.00 - 15.00	Spontaneous pathology of the gastrointestinal tract in laboratory rodents & rabbits <i>Patricia Turner, University of Guelph, Canada</i>
15.00 - 15.30	Break
15.30 - 16.30	Infectious disease of the gastrointestinal tract in laboratory rodents & rabbits <i>Patricia Turner, University of Guelph, Canada</i>
16.30 - 17.00	Case based discussions/workshop/practical <i>Patricia Turner, University of Guelph, Canada</i>

You are advised that the programme timings, lecture titles and speakers may be subject to change without notice

Thursday 23rd March 2017	
09.00 - 10.00	Spontaneous pathology of the gastrointestinal tract in dogs, minipigs & primates <i>Vasanthi Mowat, Envigo, UK</i>
10.00 - 11.00	Infectious disease of the gastrointestinal tract in dogs, minipigs & primates <i>Vasanthi Mowat, Envigo, UK</i>
11.00 - 11.30	Break
11.30 - 12.30	Case based discussions/workshop/practical <i>Vasanthi Mowat, Envigo, UK</i>
12.30 - 13.30	Lunch
13.30 - 14.30	Histology & physiology of the teeth <i>Matthias Rinke, Bayer Pharma, Germany</i>
14.30 - 15.30	Pathology of the teeth <i>Matthias Rinke, Bayer Pharma, Germany</i>
15.30 - 16.00	Break
16.00 - 17.00	Case discussions/workshop/practical <i>Matthias Rinke, Bayer Pharma, Germany</i>
17.00 - 17.15	Closing remarks by the Scientific Organiser

You are advised that the programme timings, lecture titles and speakers may be subject to change without notice

FUTURE EVENTS ORGANISED BY THE BSTP:

Continuing Education Symposium 9: Cardiovascular system

Tuesday 18th – Thursday 20th July 2017

Continuing Education Symposium 10: Endocrine system

Tuesday 5th – Thursday 7th December 2017

For further information on any of these meetings, keep checking the website.

Details of future meetings are correct at the time this programme is printed, the organising society will not be held responsible for any changes to dates, venues and topics of these meetings.

If you have any queries, or require further information regarding this symposium, please contact:

BSTP BOOKING TERMS & CONDITIONS

1. The BSTP is registered with the UK Information Commissioners Office (ICO) - Data Protection Act and in addition to its UK responsibilities, the ICO has an international role including co-operation with similar organisations in the rest of Europe and with the European Commission. Your details will not be passed on to any other organisation without written permission from yourself. Your details will be added to our mailing list and you will automatically receive future information when it becomes available.
2. The venue used by the BSTP for the event is covered by Third Party Public Liability insurance; however, **you should ensure that you have appropriate insurance in place to cover yourself and your belongings.**
3. If, for any reason (such as inadequate numbers of registrants), an event is not run, where possible maximum notice (at least 4 weeks before the start of the event) will be given to those that register for the symposium and any registration fee will be refunded in full.
4. The BSTP **DOES NOT** accept, under any circumstances, responsibility for any travel and accommodation arrangements made.
5. The BSTP reserves the right, under exceptional circumstances to change the venue and/or the date of the symposium, where possible maximum notice will be given to those that register for the event.
6. The BSTP reserves the right, under exceptional circumstances to change the lecturers and the timings of the programme without notice.
7. The views expressed by the invited speakers are not representative of BSTP views or policy.
8. Whilst every effort is made to try and provide copies of speaker's presentations/handouts by whatever format, the BSTP are unable to guarantee that individual speakers will make their presentations available to delegates.
9. Details of any problems, queries or complaints regarding the event which cannot be included on the feedback form are to be submitted in writing to the Education Sub-Committee Chairperson within 14 working days of the symposium.
