

The Royal College of Pathologists and The European College of Veterinary Pathologists

Avian Pathology Seminar

Monday 11 & Tuesday 12 June 2012

Programme arranged by Dr Sandra Scholes & Alisdair Wood

This is a two day seminar on diagnostic avian pathology, hosted jointly by RCPATH & ECVP, which will be held at the Royal College of Pathologists in London on the 11th and 12th of June 2012.

The tutor will be Professor H L Shivaprasad, Professor of Avian Pathology, California Animal Health and Food Safety Laboratory System (CAHFS -Tulare branch), University of California, Davis.

H. L. Shivaprasad

Is a Professor of Avian Pathology with the California Animal Health and Food Safety Laboratory System (CAHFS), University of California, Davis since 1989. He obtained his BVSc from India in 1969, PhD from The Ohio State University in 1977 and residency training in Veterinary Pathology from Purdue University. He was a faculty member in Veterinary Pathology at University of Illinois (5 years) and in Avian Pathology at Cornell University (4 years) before joining CAHFS. He is board certified by the American College of Poultry Veterinarians. He has been involved in avian diagnostics, teaching and research for more than 35 years. His primary research interests are to identify novel aetiologies and diseases of both infectious and noninfectious nature and study their pathogenesis in avian species.

He has published extensively in journals, books and proceedings and has presented numerous papers in national and international conferences. He is a member of many professional organisations, serves on the editorial board of one journal and avian disease manual and is an ad-hoc reviewer of a number of other journals. He has travelled to more than 35 countries on invitation primarily for teaching.

Monday 11 June 2012

09.25 Welcome and opening remarks

09.30 Introduction and scope of the seminar. CAHFS labs and its mission. Principles of disease diagnoses

10.00 An overview of Avian Anatomy

10.45 Refreshments

11.05 Anatomy (continued) and Avian inflammation

11.50 Poultry Pathology based on aetiologies

12.30 Lunch

13.30 Poultry Pathology

15.00 Refreshments

15.20 Poultry Pathology

16.30 Q&A

16.45 Finish

Cont'd./.....

Tuesday 12 June 2012

09.25 Welcome to Day 2

09.30 Pathology of Pet and Exotic birds based on etiologies; PDD/Avian Bornavirus and Chlamydiosis

10.45 Refreshments

11.05 Pet and Exotic Bird Pathology

13.00 Lunch

14.00 Pet and Exotic Bird Pathology

15.15 Refreshments

15.35 Interesting and Challenging Cases of Pet/Exotic and Wild Birds

16.30 Q&A

16.45 Finish

The facility to book for one or both days is available, booking details are listed below.

RCPATH: 5 Credits offered per day

ECVP: 4 Credits offered per day
